Peacefully

drift-ing\_ on a pond be-neath\_ a tree drift-ing\_ waves and wind for com-  
- pa-ny gaz-ing\_ at\_ the ha-zy sky watch-ing\_ la-zy clouds\_ roll by drift-ing\_  
wait-ing\_ for\_ the clouds\_ to pass drift-ing\_ wa-ter still as glass on my raft  
ly-ing\_ down float-ing\_ far-ther from\_ the town drift-ing\_ drift-ing\_  
e-choes of a wa-ter-fall  
sounds as soft as rain\_ dis-tant\_ cars\_ fac-tor-ies\_ the whist-le\_ of a train\_  
drift-ing\_ seems like I've been here for years drift-ing\_  
ev-ery wor-ry dis-ap-pears all my pres-sures wash a-way tak-ing\_ with them one more
